

IntoUniversity Temporary Education Worker

Newcastle

November 2025

IntoUniversity 

Welcome from our CEO Dr Rachel Carr

Dr Rachel Carr
Chief Executive Officer
& Co-Founder

My name is Rachel Carr and I am one of the founders of **IntoUniversity** and its current CEO.

We're an award-winning charity running local learning centres in the heart of the communities where the young people we support live. Our centres provide a high-impact education programme which includes practical learning support, pastoral care, and motivational and confidence-building activities for young people aged 7-18. Our aim is to enable students from the least advantaged neighbourhoods to realise their ambitions and achieve their wonderful potential.

As the UK's leading university access organisation, our staff team is helping over 60,000 young people each year at its 46 learning centres and extension projects across England and Scotland, and we plan to scale-up our provision to 50 centres over the coming years.

We are looking for someone who will **enjoy working each day with young people and who will thrive in a frontline, community-based, fast-paced and rewarding role**. You will be taking up a **fixed-term contract** as a part-time Education Worker at our centre in **Newcastle**.

As a charity with social mobility as its core objective, IntoUniversity is wholly committed to equality of opportunity. We work with children and young people from a diverse range of backgrounds, and we believe that our staff team should be similarly diverse and representative.

The more inclusive we are, the better our work will be, and we recognise that we have much more to do in this regard. We are committed to building a culture where students, staff and volunteers are valued for the unique people they are. We therefore encourage applications from candidates from as wide a range as possible of ethnic, cultural and social backgrounds. In particular, we actively and warmly welcome applications from Black, Asian and minority ethnic candidates, male candidates and candidates with a disability as they are currently under-represented within **IntoUniversity**.

If you believe that all young people deserve the chance to develop their talents regardless of their background and want to play a part in helping them succeed, then we would be delighted to hear from you.

Thank you very much for your interest and I look forward to receiving your application.

About Us

IntoUniversity provides local learning centres where young people are inspired to achieve.

At each local centre, **IntoUniversity** offers an innovative programme that supports young people from disadvantaged neighbourhoods to attain their chosen aspiration, including further and higher education, employment and work-based training.

Our mission is to provide local support that can break cycles of disadvantage and open up new opportunities for young people. We believe in the talent of every young person, and do not limit our support to those young people who have been labelled 'bright' or 'gifted'. We believe that, with support, every young person can progress to an excellent post-school destination and we are committed to helping them on this journey.

Our network has grown to 46 centres across England and Scotland – from Newcastle to Norwich and East Ham to Edinburgh – supporting over 60,000 young people each year. But each centre is just like our very first: a local hub for young people, based on their doorsteps.

Similarly, what we are most interested in hearing about is your individual motivation, experience, skills and values. AI doesn't know about you or what motivates you - we want to hear from you!

AI may be a helpful tool, but typically leads to generic answers repeated by multiple candidates, not stand out applications. Please make sure that your responses reflect your own thoughts and experiences.

Accessibility, adjustments and outreach

We are committed to providing reasonable adjustments throughout our recruitment process and we'll always endeavour to be as accommodating as possible.

If you require a different format of the application form, such as large print or Word format, or if you would like to discuss any specific requirements, please get in touch with us at jobs@intouniversity.org or call 0207 243 0242 and ask to speak to a member of the HR Team.
